The Junior Medical Guild welcomes you and your significant other to Gainesville!

We invite you to join the Junior Medical Guild (JMG) and participate in our meetings and interest groups, so we can personally provide support during the residency experience.

What is JMG?

The Junior Medical Guild is a support network to help you become acclimated to life in Gainesville. Through our social activities, friendship, service opportunities, and interest groups, we provide an outlet for you and your family during your time with the UF College of Medicine.

Who can join?

Spouses and fiancées of residents and fellows are welcomed to join. We also welcome female residents and fellows. Our current members are full-time moms, teachers, doctors, graduate students, dentists, occupational therapists, and nurses.

What are Interest Groups?

Our interest groups provide opportunities for JMG members to meet new people, explore books and food, and share in the Gainesville experience. Our interest groups include: Book Club, Supper Club, Game Night, Girls' Night Out, Playgroup, and Stork Club, which provides meals to new moms.

How can I join?

We will have a table set up at the House Staff Orientation Fair on June 29th in the Shands atrium. Please stop by our table and give us your email, so we can tell you about our events and get your email address. You can also email our President, Danielle Whittaker (liludf@yahoo.com) for more information.

We look forward to meeting you and helping you make Gainesville a home!
