SUBJECT: Vendor Interactions
Institutional Policy Regarding Vendor Relationships (III.B.13.)

INTENT: The Accreditation Council for Graduate Medical Education Institutional Requirements requires provision of a statement or institutional policy (not necessarily GME-specific) that addresses interactions between vendor representatives/corporations and residents/GME programs.

POLICY STATEMENT:
1. All residency programs will be aware and follow the vendor interaction policies in each facility where they rotate.

2. All programs should develop an educational module to instruct residents on the ethical and legal obligations governing physician-vendor relationships.

3. All policies must comply with the UF COM Policy on Industry Conflicts of Interest.
